## PRESS RELEASE

FOR IMMEDIATE RELEASE

---

### 2008 SAM AWARDS *Finalists Announced*

The Canadian Home Builders' Association – Calgary Region is proud to announce the full list of finalists for the 2008 SAM Awards.

The SAM Awards, now in its 22<sup>nd</sup> year, celebrate innovation and excellence in the Calgary Region home building industry.

The winners will receive their awards at the SAM Awards Gala on *Saturday, April 18, 2009* at the Telus Convention Centre. The top 5 finalists will be featured during this evening, with the exception of the Sales Achievement Awards.

“The home building industry in Calgary continues to raise the bar each year in their commitment to unique design and innovative building practices,” said CHBA – Calgary Region President, Norm Mross. “Our members are dedicated to providing consumers with excellent product. This is evident by both the number and quality of submissions entered in the 2008 SAM Awards. The competition is always fierce, the bar is continually raised - this year is no different. This year’s entries were simply outstanding, particularly those of the 2008 SAM Award Finalists.”

The Canadian Home Builders' Association – Calgary Region presents the following SAM Awards categories (the number of awards in each category follows in brackets): Advertising & Marketing Awards (8), Developer Awards (3), Industry Achievement Awards (1), Multi-Family Awards (11), New Home Awards (15), Builders Choice: Partner Awards (6), Renovator Awards (6), Sales Achievement Awards (4), Sales & Information Centre Awards (2), and the GRAND SAM Awards (5). The GRAND SAM Awards are presented to the Builder, Renovator and Partner that have demonstrated a superior achievement in design, sales, advertising and service.

A listing of all the finalists and the breakdown of the individual categories is attached.

#### ABOUT THE CANADIAN HOME BUILDERS' ASSOCIATION – CALGARY REGION

The Canadian Home Builders' Association - Calgary Region is a network of professionals, building together a powerful voice that influences the future of residential home construction.
